It is an affirmative defense to prosecution under this item (2) that the vehicle's parts and materials were in process of disassembly and were situated within a "disassembly area" designated upon an automotive wrecking and salvage yard pursuant to item (3), below, at the time of the alleged offense.

- (3) Each duly licensed automotive wrecking and salvage yard may file with the automotive board a plat or legal survey of said yard accurately setting forth under oath the dimensions and size thereof, exclusive of all covered improvements and out buildings utilized as part thereof and in connection therewith. Each such yard filing such plat or legal survey may designate upon such plat or legal survey an accurately delineated open area not to exceed 20 percent of the unimproved area within the yard, or 21,780 square feet within the yard, whichever designation is smaller, as a "disassembly area." Upon approval of such plat or legal survey and designated "disassembly area" by the automotive board, the duly licensed yard operator may use such area for the active disassembly of wrecked vehicles in the usual course of yard business. A true copy of such approved plat or legal survey and designated "disassembly area" shall be displayed at all times upon the premises of business for review

by any peace officer of the State of Texas or the neighborhood protection official of the city.

(m) *Improved surface.* All portions of lots or tracts of land used in the operation of an automotive wrecking and salvage yard, an automotive repair facility or an automotive business dealing in used parts and used accessories must have an all-weather surface of such composition and drainage as to enable the safe and effective movement of motor vehicles upon all portions of the lot, both under their own power and under tow, at all times regardless of prevailing weather conditions.

(n) *Violations and penalties.* Failure to comply with any provision of this section shall be grounds for the revocation of or the refusal to issue or renew any license required of the owner or operator of an automotive wrecking and salvage yard, an automotive rebuilder, automotive repair facility or an automotive business dealing in used parts and used accessories under this Code. It shall be unlawful to fail to comply with any applicable provision of this section.

(o) *Vehicles stored less than 30 days for repairs.* For automotive repair facilities it is an affirmative defense to prosecution under subsections (c) and (d), above, that a wrecked or disabled vehicle stored thereupon is owned by a person other than the owner of the automotive repair facility and is being stored at the automotive repair facility for the purpose of its repair at the automotive repair facility and that the vehicle has been stored upon the automotive repair facility for 30 days or less at the time of the alleged offense.

**DIVISION 4.**

**BODY SHOP FACILITY WITH STORAGE PRIVILEGES**

**Sec. 8-91. Purpose; relationship to other provisions.**

(a) Pursuant to the provisions of this division, an automotive repair facility that primarily functions as a body shop may qualify to obtain a license as a body shop facility with storage privileges. A holder of that license shall, subject to compliance with this division, be entitled to function as both an automotive repair facility and an automotive storage lot operator under this article so that a storage fee may be imposed for vehicles that are stored with the owner's consent pending their repair at the body shop or other disposition. The holder of a body shop facility with storage privileges license shall not be required to also hold an automotive repair facility license or automotive storage lot operator's license for operations at the covered premises in compliance with this division.

(b) A body shop facility with storage privileges that is licensed under this division is not required to comply with the land use requirements established in section 28-34 of this Code. However, it is the intent of city council in adopting this article that the article cannot be used to circumvent the 300-foot land use restrictions that apply therein to any storage lot, whether in existence at the time of adoption of this article or created thereafter.

(c) Nothing contained in this division shall be construed to preclude an automotive repair facility, whether primarily operating as a body shop or not, that is situated in a location that complies with section 28-34 of this Code from obtaining a license under the state Vehicle Storage Facility Act or a private storage lot authorization under article III of this chapter, as applicable, and conducting vehicle storage operations thereunder.

(d) Nothing contained in this division shall be construed to preclude any automotive repair facility, whether primarily operating as a body shop or not, from storing vehicles without imposing a fee for the service as authorized in section 8-30 of this Code.

(e) All provisions of this article that apply to automotive repair facilities shall also apply to a body shop facility with storage privileges license holder, except that the license holder may not store vehicles as provided in section 8-30(o) of this Code.

(Ord. No. 99-1354, § 3, 12-21-99)

- (5) That the premises has an enclosed all-weather-improved surface parking area not larger than seven and one-half marked parking spaces per 1,000 square feet of gross floor area, measured and construed in the same manner provided in chapter 26 of this Code, that will be utilized as its vehicle storage area. The area shall be enclosed in the same manner described in section 8-30(e) of this Code, provided that if the premises abuts any deed restricted property and the deed restrictions require a particular type of fence, then the fence shall also conform to the style required in the abutting property's deed restrictions. For this purpose, "contiguous" shall include an abutting tract or parcel and shall also include a tract or parcel that is situated directly across the major thoroughfare from which the body shop takes its access. For these purposes, the term directly across means that 50 percent or more of the tract frontages on the opposite sides of the major thoroughfare are parallel.

A daily log of vehicles received and removed shall be maintained to evidence compliance with this item.
- (5) The operator of the body shop facility with storage privileges may, but shall not be obligated to, impose a fee of not more than \$11.00 per calendar day, or any portion of a calendar day, for storage services. No additional fee may be imposed for preservation, notices or other services related to the storage services.
- (6) The owner of each vehicle stored hereunder shall be notified of the applicable terms and conditions relating to storage periods and fees, including the amount of the storage fees that may be imposed, the requirement that the vehicle may not be stored on the premises for more than 30 days, the destination to which it will be taken if not timely removed, the amount of any additional towing fee that may be imposed for the removal and that the vehicle will be subject to additional fees and sale pursuant to state law if not timely redeemed from the place to which it will be removed. The notice shall be in a form approved by the police chief or his designee, shall set forth the above information and shall be mailed to the registered owner of record within five days from the date of the receipt of the vehicle, provided that the notice shall not be required to be mailed if the owner has, within five days following receipt of the vehicle on the premises, executed a work order or repair contract that includes the required notice information.

(Ord. No. 99-1354, § 3, 12-21-99)

(b) A private storage lot owned or used by a towing company to store a motor vehicle subject to a nonconsent tow must be located within the city limits.

(c) A towing company that performs a nonconsent tow of a motor vehicle:

(1) Shall immediately tow the motor vehicle to a private storage lot located within the city limits; and

(2) May not unload the towed motor vehicle at a place other than the private storage lot.

(d) Notwithstanding the foregoing, a towing company that performs a nonconsent tow of a motor vehicle may unload a motor vehicle at a place other than its private storage lot only:

(1) If safety reasons or mechanical breakdown require the transfer of the motor vehicle to another tow truck;

(2) To transfer the motor vehicle to another tow truck, within 100 feet of the private property, if the original tow truck is the company's only available truck that is capable of entering the property and removing a motor vehicle, and the original truck is needed immediately for additional towing; or

(3) The towing company agrees to take the motor vehicle to a location designated by the vehicle owner, provided that, in the event of a police-authorized tow, if the motor vehicle is unloaded at a location that is more than twenty miles from the site of the tow, the vehicle owner shall pay the towing company a mileage fee, in addition to the service charge for the tow established pursuant to section 8-123. It is a defense to prosecution under this section that the vehicle is operated by a law enforcement officer or is parked as directed by a law enforcement officer at the scene. No wrecker driver shall stop or park or allow his auto wrecker to remain stopped or parked at a police scene if the number of auto wreckers already present at the scene equals the number of wrecked or stalled vehicles; provided, that no more than two additional auto wreckers may remain at a police scene when no law enforcement officer is present. It is an affirmative defense to prosecution that a law enforcement officer was present and in control of the police scene at the time that the wrecker driver arrived and had called the wrecker driver to the police scene or had asked the wrecker driver to cause his auto wrecker to remain at the scene.

(Ord. No. 04-497, § 3, 5-26-04; Ord. No. 05-1271, § 4, 9-22-05; Ord. No. 2011-1012, § 5, 11-30-2011, eff. 1-1-2012)

(Ord. No. 04-497, § 3, 5-26-04)

**Sec. 8-120. V.I.N. inspection; transport authorization.**

(a) It shall be unlawful for any wrecker driver to attach or cause or permit any auto wrecker to be attached to any motor vehicle without first personally inspecting the manufacturer's permanent vehicle identification number affixed to the motor vehicle to be transported.

(b) It shall be unlawful for any wrecker driver to attach or cause or permit any auto wrecker to be attached to any motor vehicle on which the manufacturer's permanent vehicle identification number has been removed or is not permanently affixed or is not clearly legible or that, upon visual examination of the manufacturer's permanent vehicle identification number, shows any evidence whatsoever of its possibly having been changed, altered or obliterated in whole or in part.

(c) It is a defense to prosecution under subsection (a) or (b) that the wrecker driver obtained, prior to attaching or causing or permitting the auto wrecker to be attached to the transporting vehicle and retained in his possession at all times while transporting the vehicle, a legible written authorization for the transport of the vehicle issued by a law enforcement officer, parking enforcement officer or personnel designated by the police chief setting forth:

**Sec. 8-121. Removal of or tampering with vehicles at police scene without consent of vehicle driver or before police investigation completed.**

(a) No wrecker driver shall remove any vehicle that is involved in a police scene and requires towing or attach his auto wrecker to such a vehicle until a law enforcement officer responsible for the police scene authorizes the moving of the vehicle.

(b) The fact that no law enforcement officer is present at a police scene when an auto wrecker arrives shall not constitute an exception to this section, and it shall be the duty of any vehicle owner desiring to tow or haul any vehicle from the police scene to cause the police department of the city to be notified and to await the arrival of a law enforcement officer and the completion of his investigation.

(c) Taking into consideration the location of the vehicle insofar as it may obstruct traffic, traffic conditions, and related factors of traffic management, law enforcement officers shall afford any vehicle owner who is present at a police scene and is able and willing to do so a reasonable time to make arrangements with a wrecker driver of his choice for a consent tow. However, in the event that the vehicle owner of a vehicle involved in a police scene is not present or is incapable of making or unwilling to make his own arrangements with a wrecker driver to remove the vehicle within a reasonable time, the investigating law enforcement officer shall give such orders as may be necessary to remove the vehicle from the street through a police-authorized tow.

(d) The provisions of this section shall not apply to vehicles detained for police investigation or other purposes as authorized by state and federal law, which may be removed by police department auto wreckers or as otherwise directed by the law enforcement officer in charge of the police scene, to vehicles towed from residential parking permit areas pursuant to section 26-298 of this Code, or to tows on freeways conducted pursuant to section 8-127 of this Code.

(Ord. No. 04-497, § 3, 5-26-04; Ord. No. 05-1271, § 5, 9-22-05; Ord. No. 09-1135, § 8, 11-18-09)

**Sec. 8-122. Debris glass, etc., at accident scenes.**

Where vehicles to be towed have been involved in an accident, it is the responsibility of the vehicle owners for consent tows or the persons authorizing the tow for nonconsent tows to ensure that any glass or other debris or parts are removed from the scene of the accident. The owner or person authorizing the tow may perform the work or cause the work to be performed by another person, including but not limited to

the wrecker drivers performing the tows of the affected vehicles. The fees established in section 8-123 of this Code for the nonconsent tows are inclusive of glass, parts, and debris cleanup and removal for services other than tows requiring heavy-duty wreckers. For consent tows, any additional service fees for those services shall be disclosed on the wrecker slip provided under section 8-113 of this Code. This section shall not apply to the towing of vehicles under section 8-127 of this Code.  
(Ord. No. 04-497, § 3, 5-26-04)

### **Sec. 8-123. Towing charges.**

(a) For purposes of this section, a vehicle is towed "without the consent of the vehicle owner" whenever the vehicle is towed as a nonconsent tow as defined in section 8-101 of this chapter, is a wrecked vehicle on a freeway, regardless of location, a stalled vehicle in a moving lane on a freeway, or a tow directed by a law enforcement officer; provided that this phrase shall not include a tow performed by a tow operator described in section 8-103(c)(3) of this Code.

(b) Whenever a vehicle is towed without consent of the vehicle owner, the service charge for a tow not requiring the use of a heavy-duty wrecker shall not exceed the amount established pursuant to subsection (d). This charge shall be applicable whether the vehicle is to be towed from public or private property.

(c) Whenever a vehicle is towed without consent of the vehicle owner, and the use of a heavy-duty wrecker is required due to the size or condition of the motor vehicle, the fee for the tow shall be no more than the amount per hour established pursuant to subsection (d) with a minimum charge of two hours to be assessed without regard to the actual time expended. The hourly rate shall be determined by starting the time charges when the heavy-duty wrecker leaves to report to the police scene and shall be stopped when the actual towing job is completed. The time going to the police scene may be included in the charges, but the time used to return shall not be included in the charges. The hourly rate established pursuant to subsection (d) does not apply to recovery services, a fee for which may also be reasonably imposed.

The law enforcement officer in charge of a police scene shall have authority to summon a heavy-duty wrecker when in his opinion such equipment is required. The vehicle owner of the vehicle whose car is serviced by a heavy-duty wrecker called by the investigating officer shall be responsible for any and all charges that result from such heavy-duty wrecker service.

(d) The rates referred to in subsections (b) and (c), above, shall be established in accordance with the following process:

- (1) A rate review for auto wreckers, including heavy-duty wreckers, may be initiated by request of any tow operator that performs nonconsent tows in the city. Any such request must be made in writing to the director of administrative and regulatory affairs. Upon receipt of a request for a rate review, the director shall prepare an estimate of the administrative cost of the rate review, and if the tow operator determines to proceed with the rate review, the tow operator shall submit a cashier's check to the director in an amount equal to the estimated administrative cost. The rate review shall be conducted in accordance with procedures established for that purpose by the director. Without limitation, the director may select a

representative group of auto wrecker owners and request that they provide verified financial data and vehicle-operating data regarding their operating costs and return on investment for use as a basis in conducting the review. Following receipt and review of the required data, the director shall make a recommendation to city council whether any rate change is justified, and, if so, the amount of the recommended increase or decrease. If a rate change is recommended to the city council, then the city council or a committee of city council shall conduct a hearing before adopting any increase or decrease. The increase or decrease may be adopted by motion and shall be effective on the first day of the next calendar year.

- (2) Except for years in which a rate adjustment adopted by city council under item (1) will take effect, the director shall adjust the rates effective January 1 of each year, based upon a weighted blend of the following indices with 1/2 attributed to the percentage increase or decrease in the Consumer Price Index, All Urban Consumers, All Items, United States average, and 1/6 each attributed to the percentage increase or decrease in:
- a. Consumer Price Index, All Urban Customers (CPI-U), U.S. City Average, Motor Vehicle Maintenance & Repair;
  - b. Consumer Price Index, All Urban Customers (CPI-U), U.S. City Average, Vehicle Insurance; and
  - c. Consumer Price Index, All Urban Customers (CPI-U), Houston-Galveston-Brazoria Average, Gasoline;

all as published by the U. S. Department of Labor. The adjustment shall be based upon the most current data available on November 15, shall be rounded to the nearest increment of \$0.50 cents and shall be effective on the following January 1. Notice of the adjusted rates shall be published one time in a daily newspaper of general circulation within the city and filed in the city secretary's office on or about December 1. The director may establish and promulgate regulations relating to the adjustment process.

(e) When a vehicle is received by a storage lot and fees are collected, an additional \$20.00 fee shall be collected and remitted to the police department to defray the costs of enforcement of complaints related to police private storage lot agreements and other costs associated with the towing of a vehicle without the consent of the vehicle owner. The time and method of remittance of the additional \$20.00 fee prescribed in this subsection shall be established by the police department so as to make the transfer of funds as close to the date and time of the release of the vehicle from the storage as is practical or possible. The time and method of remittance may include the electronic transfer of funds at the time of the release of the vehicle or at a later time as specified by the police department. This subsection does not apply to a vehicle submitted for auction.

(f) If the vehicle owner is present when an auto wrecker is attempting to tow a vehicle, and the vehicle owner does not desire the vehicle to be towed, no charge shall be made, and the vehicle owner shall be allowed to take possession of the vehicle if the vehicle has not been hooked up by the auto wrecker. If the motor vehicle has been lawfully hooked up to the auto wrecker, but not towed from the scene, the vehicle shall be released to the vehicle owner upon payment of 1/2 the regular auto wrecker fee. This

section shall not apply where the vehicle owner is unable to remove the vehicle from the scene immediately if the vehicle were released to the vehicle owner.

(g) The towing of a vehicle and a trailer being towed by the vehicle shall constitute two separate tows and shall require the removal of both the vehicle and the trailer to the same licensed storage facility, unless otherwise authorized by a law enforcement officer.

(Ord. No. 04-497, § 3, 5-26-04; Ord. No. 05-1271, § 6, 9-22-05; Ord. No. 08-52, § 34, 1-16-08, eff. 1-26-08; Ord. No. 09-631, § 2, 6-30-09; Ord. No. 2010-1016, § 2, 12-15-2010; Ord. No. 2011-1012, § 6, 11-30-2011, eff. 1-1-2012)

#### **Sec. 8-124. Oral report to police of tows authorized by persons other than vehicle owner.**

Whenever a wrecker driver is authorized to pick up and tow any vehicle when such authorization was given by someone other than the vehicle owner, the wrecker driver shall make an oral or electronic report to the police department within one hour of the time the vehicle was picked up. An electronic report shall be filed using an authorized electronic reporting system implemented by the police department. In an oral report the wrecker driver shall inform the police department of the license plate number of the vehicle towed, its vehicle identification number, the location from which the vehicle was towed, the date and time the vehicle was towed, and the location to which the vehicle was towed. This section shall not apply when the vehicle was towed pursuant to authorization by a city police officer, a parking enforcement officer or personnel designated by the police chief acting pursuant to section 26-298 of this Code and the wrecker driver has signed the copy of the wrecker slip retained by the city police department.

(Ord. No. 04-497, § 3, 5-26-04; Ord. No. 09-631, § 3, 6-30-09; Ord. No. 09-1135, § 9, 11-18-09)

#### **Sec. 8-125. Reports to police of towing pursuant to lienholder's request.**

(a) Whenever any person tows, carries, transports or otherwise takes a motor vehicle pursuant to a request by a lienholder incident to a lawful repossession, the person so taking the vehicle who does not file an authorized electronic report shall make a verbal report to the police department within one hour of the time of picking up the vehicle, which shall include the following information:

- (1) The license plate number of the repossessed motor vehicle;
- (2) The vehicle identification number of the repossessed motor vehicle;
- (3) The year, make, model and color of the repossessed motor vehicle;
- (4) The name, address and telephone number of the lienholder who requested the taking of the vehicle;
- (5) The state license plate number of the auto wrecker used, and the name and Texas driver license number of the wrecker driver;
- (6) The location from which the vehicle was towed, the date and time that the vehicle was picked up and the name, street address and telephone number of the place to which the vehicle was taken for storage.

(b) Within 72 hours of the time of picking up the vehicle the person shall also mail or deliver to the police department a written report of the repossession, including:

- (1) The information specified above;
- (2) The reporting number assigned by the police department by telephone at the time the oral report was made as required above; and
- (3) A copy of the court order or other legal document(s) that authorized the repossession.

(c) The chief of police shall designate a telephone number for the filing of oral reports under this section and an address for the filing of written reports under this section. The chief of police may also promulgate a form to be used for the filing of the written reports.

(Ord. No. 04-497, § 3, 5-26-04; Ord. No. 09-631, § 4, 6-30-09)

**Sec. 8-126. Police-authorized tow service agreement.**

(a) The chief of police may execute agreements for the mayor and on behalf of the city with persons to perform police-authorized tows. The right to enter into such agreements shall be extended on a uniform basis to all eligible persons.

(b) The chief of police may refuse to enter into an agreement hereunder if the auto wrecker owner (including partners if a partnership and stockholders if a corporation) or any employee has had an agreement terminated for cause within the preceding period of five years. The police chief may require an affidavit and the furnishing of business records to demonstrate compliance with the foregoing provision. The foregoing provision shall apply to police-authorized tow service agreements that are not renewed or are terminated by the tow operator under threat of termination for cause in the same manner as to those that have actually been terminated for cause.

(c) An annual agreement fee in the amount of \$660.00 per covered auto wrecker shall be paid by the auto wrecker owner to the city for each agreement. The police chief may impose an additional fee not to exceed \$75.00 per year for the issuance of identification cards to drivers who are authorized to drive auto wreckers under police tow service agreements. The fees shall not be subject to proration or refund.

(d) Agreements under this section are not exclusive. The city shall not be precluded from using city-owned auto wreckers to perform police-authorized tows, such as for certain vehicles that are detained for criminal investigation needs, or from entering into other contracts and agreements, such as for towing of vehicles involved in parking violations.

(e) The agreements shall conform to the following requirements and terms, which shall be incorporated therein by reference:

- (1) Each auto wrecker shall be allowed to perform police-authorized tows in only one 'zone,' which for purposes of the agreements shall mean one of the five service areas that are described and depicted in Exhibits A and B to Ordinance 84-560. Consistent with the

foregoing requirement, the agreement shall include the following clause:

"Operator shall choose one specific zone for each auto wrecker that is to be utilized by the Operator to perform police-authorized tows. Operator shall not allow an auto wrecker to tow any vehicle outside of the approved zone, except when authorized by the police department. No tow hereunder shall exceed a maximum distance of 20 miles unless the tow destination is located within the zone. Violation of this provision is grounds for revocation of this Agreement."

(2) The agreement shall include the following clause regarding insurance requirements:

"The Operator shall obtain and maintain in effect during the term of this Agreement insurance coverage as set out below and shall furnish certificates of insurance, prior to the beginning of the term of this Agreement. All such policies, except Worker's Compensation or Occupational Safety Insurance, shall be primary to any other insurance and shall name the city as an additional insured. All liability policies shall be issued by a company with a Certificate of Authority from the State Department of Insurance to conduct insurance business in Texas or a rating of at least B+ and a financial size of Class VI or better according to the current year's Best's rating. Operator shall maintain the following insurance coverage in the following amounts:

- A. Automobile liability insurance, \$1,000,000.00 combined single limit per occurrence.
- B. Cargo on hook coverage, \$50,000.00 per vehicle.
- C. Workers compensation or occupational safety insurance.
- D. All drivers of auto wreckers shall be named insured on Operator's liability insurance policy."

(3) The agreement shall include the following clause regarding fee requirements:

"The Operator shall charge no fees for servicing a police scene in excess of the fees authorized under city ordinance for vehicles towed without the consent of a vehicle owner. Further, the Operator shall not obligate the owner of a vehicle removed from a police scene and placed in storage to pay any fees in excess of those authorized for a vehicle delivered to a state licensed vehicle storage facility without the consent of the vehicle owner. Under no circumstances will a vehicle owner be charged a fee of any type in excess of the fees applicable had the vehicle been towed without the vehicle owner's consent."

(f) It shall be unlawful for the driver of any auto wrecker that is not then being operated under a current and valid police-authorized tow service agreement to respond to a police scene or be or remain at a police scene if the police scene is not situated in the traffic management area (zone) for which the auto wrecker has been authorized under subsection 8-126(e)(1) of this Code. It is an affirmative defense to prosecution under this section that the driver of the auto wrecker was called to the police scene by the law enforcement officer in charge of the scene or by a vehicle owner requiring towing services from the police

scene.

(g) Tow operators and auto wrecker drivers operating pursuant to a current and valid police-authorized tow service agreement shall report the towing of vehicles via an authorized electronic reporting system implemented by the police department.

(Ord. No. 04-497, § 3, 5-26-04; Ord. No. 05-1271, § 7, 9-22-05; Ord. No. 07-1040, § 1, 9-12-07; Ord. No. 09-631, § 5, 6-30-09; Ord. No. 2010-1016, § 2, 12-15-2010)

### **Sec. 8-127. SafeClear--Freeway tow agreement.**

On recommendation of the mayor and approval by the city council, the chief of police may execute non-exclusive agreements on behalf of the city with any tow operator then holding a valid police-authorized tow service agreement under section 8-126 of this Code to provide towing or emergency road service on freeways in the manner and according to specifications required by this Code and described in such agreements.

Such agreements shall be in a form approved by the city attorney and shall provide, without limitation, the following:

- (1) That the tow operator shall remove wrecked or stalled vehicles from a designated segment of a freeway on a 24-hour basis and shall respond to the scene within the time designated in the agreement;
- (2) That the term of the agreement shall not exceed five years from date of execution unless terminated earlier as outlined in the agreement;
- (3) That the tow operator shall perform nonconsent tows from a freeway and remove all such vehicles to a licensed storage facility within the zone for the rate set forth in section 8-123 of this Code;
- (4) That the tow operator shall remove to the nearest place of safety a wrecked vehicle, regardless of location, or a stalled vehicle in a moving lane for the rate established under section 8-123 of this chapter;
- (5) That the tow operator shall tow a stalled vehicle located on a shoulder to a safe place off the freeway within one mile from the nearest freeway exit at the rate prescribed and subject to the conditions established in the agreement, provided, however, that if the vehicle owner is unable to pay the tow operator at the time of service, such vehicle shall be towed to the nearest licensed storage facility that is lighted and manned on a 24-hour basis, provides telephone and other access to the vehicle owner, and will not charge any storage-related fees for the first 48 hours;
- (6) That during the period each day from 10:00 p.m. to 6:00 a.m., the tow operator shall tow a stalled vehicle to a safe place in accordance with this contract. If there is no safe place, the vehicle shall be towed to the nearest licensed storage facility that is lighted and manned on a 24-hour basis, provides the vehicle owner with access to a telephone and other facilities, and

will not charge any storage-related fees for the first 24 hours;

- (7) That the tow operator shall provide continuous coverage of its designated freeway segment, respond immediately to a call for assistance from a law enforcement officer, and patrol its segment as required by the agreement;
- (8) That the tow operator shall cooperate with all law enforcement and other public service employees responding to or present at a police scene;
- (9) That solicitation of business of any kind whatsoever at a police scene is prohibited;
- (10) That the tow operator shall not employ any wrecker driver who does not meet the requirements of this Code relating to towing of vehicles and any current and valid police-authorized tow service agreement;
- (11) That, except as otherwise provided in this chapter, the tow operator shall respond to a police scene with no more towing capacity than necessary, based on the number of wrecked or stalled vehicles at the scene, to minimize hazards and traffic obstructions within the time designated in the agreement and will expeditiously remove from the freeway any wrecked or stalled vehicle, debris, and other traffic impediment;
- (12) That any failure by the tow operator to timely respond to a call for assistance shall authorize an incident management supervisor or a law enforcement officer at a police scene who has determined that public emergency then exists to direct any PATSA auto wrecker to remove any wrecked or stalled vehicle, debris, or other traffic hazard or impediment;
- (13) That emergency road service shall consist of providing towing, gasoline, tire changing, or other services as designated in the agreement;
- (14) That the chief of police or his designee is authorized, upon a determination of a public emergency or when required in the interest of public safety, to direct the tow operator to direct its patrol activities to specific times and/or portions of the tow operator's freeway segment;
- (15) That the tow operator shall report any wrecked or stalled vehicle or other hazardous road condition to the police department and remain at the scene until a law enforcement officer arrives or he receives authorization to remove the hazardous condition;
- (16) That authorization to remove a wrecked or stalled vehicle shall be provided in the manner and form specified by the agreement; and
- (17) That removal of any wrecked or stalled vehicle at the direction of a law enforcement officer shall be documented on a police department vehicle disposition form.

(Ord. No. 04-497, § 3, 5-26-04; Ord. No. 05-1271, § 8, 9-22-05; Ord. No. 2011-324, § 2, 5-4-2011)

**Sec. 8-128. Wreckers not to solicit business at scene of accident until police depart scene.**

It shall be unlawful for any wrecker driver to solicit the business of towing, removing or repairing any abandoned or disabled vehicle at a police scene by words, cards, circulars or gestures, until such time as all law enforcement officers have departed the scene.

(Ord. No. 04-497, § 3, 5-26-04; Ord. No. 09-1347, § 3, 12-16-09)

**Sec. 8-129. Obedience to police at accident scene; interference with police.**

The applicant shall also show the police chief or his designee evidence that he has a current driver's license issued by the state and shall complete a form allowing the police department to obtain information as to the applicant's driving record from the state and from any state that had issued the applicant a driver license that was valid at any time within the three years immediately preceding the submission of the application.

(c) Evidence that the applicant has passed the drug screen test administered within the 30 days preceding the date of the application shall be required for original applicants and all renewals. The police chief shall promulgate rules and regulations relating to the drug screening test. The notice shall be sent by United States certified mail, return receipt requested, to the applicant's address set out in the application.

(c) The applicant may perfect his appeal of the proposed denial by a letter addressed to the chairman of the automotive board and delivered to the chairman of the automotive board within 15 days after the date that notice of the proposed denial of the application is placed in the United States mail. The letter of appeal must state that an appeal from the decision of the police chief or his designee is desired. The appeal process shall be conducted in accordance with rules promulgated by the automotive board for that purpose. If the proposed denial is based in whole or in part upon section 1-10 of this Code, then the notice and hearing procedures shall also include any requirements to comply with section 1-9 of this Code and applicable state laws. **Sec. 8-136. Term; renewal; replacement of lost or destroyed license.**

(a) Each wrecker driver license shall expire each year on the anniversary of the wrecker driver license holder's date of birth. The first license hereunder shall expire on the anniversary of the wrecker driver license holder's date of birth next following the expiration of one year from issuance. A permit may be renewed by filing an application pursuant to section 8-132 of this Code at least 30 days prior to the expiration of the permit and paying the application fee pursuant to section 8-133 of this Code. A renewal permit application shall be reviewed and approved pursuant to section 8-134 of this Code.

No license shall be renewed more than 30 days after the date of its expiration. If a license had expired and not been renewed within 30 days, the applicant may apply for a new license as an initial applicant. The fee for such a new license shall be the fee set out for an original license.

(b) A lost or destroyed wrecker driver license may be replaced upon the holder's compliance with the following conditions:

### **DIVISION 3.**

#### **PRIVATE STORAGE LOTS**

##### **Subdivision A.**

##### **General Provisions**

#### **Sec. 8-141. Application; affirmative defense.**

(a) Any person who is not required to obtain a license under the Vehicle Storage Facility Act (including, without limitation, a person licensed under the Texas Motor Vehicle Commission Code (chapter 2301, Texas Occupations Code)) that desires to operate a private storage lot within the city shall obtain an authorization under this division.

(b) It is an affirmative defense to prosecution of any offense specified in this division 3, except those offenses enumerated in section 8-193, that the actor was required to hold a license from the Texas Department of Licensing and Regulation pursuant to the Vehicle Storage Facility Act and was acting within the scope of authority granted pursuant to a license issued thereunder.

(Ord. No. 01-1079, § 5, 12-5-01; Ord. No. 2011-1012, § 9, 11-30-2011, eff. 1-1-2012)

#### **Sec. 8-142. Authorization for police private storage lot use.**

All persons who hold current and valid private storage lot authorizations issued under this division and all persons who hold current and valid licenses under the Vehicle Storage Facility Act may, by entering into a police private storage lot agreement with the city, act as police private storage lots.

(Ord. No. 01-1079, § 5, 12-5-01)

#### **Sec. 8-143. Police private storage lot agreement.**

(a) On recommendation of the police chief, the mayor may execute agreements on behalf of the city with persons who hold authorizations under this division 3 and with licensees under the Vehicle Storage Facility Act to serve as police private storage lots. The right to enter into such agreements shall be

extended on a uniform basis to all eligible persons who operate a vehicle storage facility within the city limits. The agreement shall be for such term as the police chief may recommend, provided that all such agreements will provide for a right of any party thereto to terminate upon 30 days' written notice, without cause, and for suspension or termination for cause upon five days' written notice in the event of the failure of the storage facility operator to timely or fully comply with any provision of the agreement. A termination without cause shall not be effected by the city without the consent of the city council.

In the event of a proposed suspension or termination for cause, the storage facility operator shall be afforded an opportunity for a hearing before the director of administration and regulatory affairs or his designee ("the hearing officer") prior to suspension or termination of the agreement. The hearing officer shall render his decision at the conclusion of the hearing, which decision shall not be effective until the time for filing an appeal has expired. Each hearing before the hearing officer shall be video recorded by the police department. In the event that the hearing officer finds that the agreement should be suspended or terminated for cause, the storage facility operator may file a written appeal of that decision with the hearing officer within three days following rendition of the hearing officer's decision. The appeal shall be decided by the automotive board within 30 days of the filing of a written request therefor with the hearing officer or as soon thereafter as the board is able to convene a meeting. The timely filing of an appeal shall stay the action of the hearing officer for a period of ten days from the date of filing of the appeal. Unless additional information is requested in the manner provided below, the appeal shall be decided on the basis of the video record and any documents filed at the hearing before the hearing officer, a copy of which shall be made available to each member of the automotive board as soon as practicable after the filing of the appeal. The board may take additional evidence if five or more members of the board request that additional information be furnished. Any such request shall specifically state the person(s) or document(s) to be presented and the names of the five or more board members who requested that the information be provided. The notice shall be delivered in writing by the chairman of the board to the police chief and to the appellant at least 72 hours prior to the commencement of the board meeting at which the appeal will be considered. The police chief and the appellant shall make every reasonable effort to present the person(s) or document(s) requested to the extent that the person(s) are within their ability to control or the document(s) are within their possession or control. If the board fails to decide the matter within the 30-day stay period, then on the 31st day, the hearing officer's decision shall be reinstated and shall be effective until the board decides the matter.

Each agreement holder who is not authorized under this division 3 shall be required to furnish a bond or account assignment in the same manner as provided in subsection (a) or (b) of section 8-153 of this Code for persons who are authorized under this division. The agreements shall contain such other terms and conditions as the police chief determines to be necessary or desirable in order to account for and safeguard the storage and disposition of vehicles towed without the vehicle owners' consent. All agreements shall be personal to the facility operator and owner to whom they are issued and shall become void upon any assignment, sublease, lease, sale or other transfer, unless prior written approval has been given for the same by the police chief.

(b) Notwithstanding the inapplicability of the various penal provisions of this division, except section 8-193, to licensees under the Vehicle Storage Facility Act, the agreements may require agreement holders acting as police private storage lots thereunder to comply with any or all provisions of this division, including but not limited to compliance with subsection (a) or (b) of section 8-153 of this Code and of subdivisions C, D, and E of this division in the same manner that they must be complied with by city

private storage lot authorization holders, except to the extent that such compliance would result in a violation of any valid and applicable provision of the Vehicle Storage Facility Act or of a regulation issued by the Texas Department of Transportation thereunder.

(c) The chief of police may refuse to enter into an agreement for any police private storage lot if the operator or any employee or owner of the storage lot (including partners if a partnership and stockholders if a corporation) has had a police private storage lot agreement terminated for cause within the preceding period of five years. The police chief may require an affidavit and the furnishing of business records to demonstrate compliance with the foregoing provision. Without limiting the foregoing, in any instance in which a police private storage lot agreement is requested for a tract or parcel of land upon which there has been a police private storage lot holding an agreement that was terminated for cause during the preceding five years, the police chief shall require a full disclosure of the intended operator's, owners' and employees' names and the agreement shall not be made unless the intended operator demonstrates full compliance with this section. The foregoing provisions shall apply to police private storage lot agreements that are not renewed or are terminated by the operator under threat of termination for cause in the same manner as to those that have actually been terminated for cause.

(d) An annual agreement fee in the amount of \$1,410.00 per storage lot shall be payable by the storage lot owner to the city. The fee shall not be subject to proration or refund.

(e) Agreements under this section are not exclusive, and the city shall not be precluded from directing that vehicles, such as those impounded for criminal investigations, be taken to other premises.

(f) Each agreement holder shall report the receipt and release of vehicles delivered to its storage facility without the consent of the vehicle owner via the use of an authorized electronic reporting system implemented by the police department.

(Ord. No. 01-1079, § 5, 12-5-01; Ord. No. 08-52, § 35, 1-16-08, eff. 1-26-08; Ord. No. 09-631, § 6, 6-30-09; Ord. No. 2010-1016, § 2, 12-15-2010)

**Secs. 8-144--8-150. Reserved.**

### **Subdivision B.**

#### **Authorization**

**Sec. 8-151. Required.**

Except where specifically permitted by ordinance, no person shall store or permit any motor vehicle to be on his property when the motor vehicle was towed without the vehicle owner's consent unless a current authorization has been issued by the city for the property to be used as a private storage lot.

(Ord. No. 01-1079, § 5, 12-5-01)

**Sec. 8-152. Application.**

(a) Each person who desires authorization to operate a private storage lot shall file an application with the police department on a form provided by the city. On the application, the applicant

shall set forth:

  - a. The name and address of the corporation;
  - b. The names and addresses of the three principal officers;
  - c. The name and address of each person owning a controlling interest in the corporation. If no single person owns a controlling interest in the corporation, the applicant shall list the names of each person who owns 20 percent or more of the interest in the corporation. If the controlling interest is held by an entity or entities, and not by one or more individuals, the applicant shall list each individual who owns 20 percent or more of the interest in any such entity or entities.
- (2) The street address and the full property description of the storage lot, the traffic management area in which it is located, and the number of vehicle storage or parking spaces thereon that will be used for the storage of motor vehicles.
- (3) The number of the telephone located at the storage lot.
- (4) The name under which business is conducted at the storage lot.
- (5) The number of the license issued by the city to operate as a storage lot under article II of this chapter.
- (6) The date of birth, place of birth, sex, race, and each address where the person has resided in the five years preceding the application for each person listed under paragraph (a)(1) above.
- (7) Whether any person listed under paragraph (a)(1) above has been convicted of any criminal offense in this state or any other state or country within five years immediately preceding his application or has spent any time in jail or prison within five years due to a conviction; provided, however, convictions for any traffic offenses that are classified as no greater than a Class C misdemeanor under the laws of Texas are not required to be listed on the application. If any such person has been convicted of any offense required to be listed on the application, or been in jail or prison due to a conviction, the applicant shall set out the offense convicted of, the date of the conviction, and the place, court and case number of the case. A signed authorization for the police department to investigate as to whether the person has committed any criminal offense shall be submitted by each person listed in paragraph (a)(1) above.
- (8) Each person listed in the application shall submit himself to be fingerprinted at the police department, or to the police department of any other city or town if such department will forward the fingerprints to the police department.

An application under this section shall be signed by the applicant. If a partnership, it shall be signed by each partner. If a corporation, it shall be signed by the president and attested by the secretary. In all cases, the person signing shall execute an affidavit, on the application form, that the statements contained in such application are true and correct.

(b) The applicant shall sign an agreement on a form provided by the police department in which the applicant shall be informed that it is the intention of the city council to fully comply with all requirements of due process as provided in the United States and Texas Constitutions. The applicant shall agree in the agreement that the storage lot will comply with all amendments or additions to the ordinances regulating storage lots as may be adopted by city council, and any requirements regarding the storage, handling or release of vehicles that have been towed without the vehicle owner's consent that may be imposed by any court of competent jurisdiction. If any future requirements set by a court of competent jurisdiction impose a greater burden on the applicant's business, the applicant may surrender his authorization to operate as a private storage lot to the city and the city will refund a proportionate amount of the fee that was paid for such authorization. The amount of refund shall be determined by multiplying one-twelfth of the annual fee paid by the storage lot by the number of months remaining after the date the storage lot surrenders its authorization to the next April 15. The applicant shall further agree that if he surrenders his authorization to operate as a private storage lot for any reason, he will abide by section 8-219.

(Ord. No. 01-1079, § 5, 12-5-01)

### **Sec. 8-153. Bond and insurance.**

(a) Prior to the issuance of any authorization to operate a private storage lot or renewal of such an authorization, the applicant shall file with the city a bond, executed by the applicant as principal and by a good and sufficient corporate surety company licensed to do business in the state as surety. The bond shall be in the sum of \$1,000.00 if the storage lot has space to store no more than 50 motor vehicles, \$2,000.00 if the storage lot has space to store more than 50 motor vehicles but less than 100 motor vehicles, and \$5,000.00 if the storage lot has space to store more than 100 motor vehicles. The bond shall be payable to the city for the use and benefit of any person entitled thereto, and conditioned that the principal and surety will pay all final judgments of a court of competent jurisdiction for damages to persons or their property caused by, arising from, or growing out of the negligent, wrongful, fraudulent or illegal conduct of the applicant, or his agents or employees in the operation of the storage lot, when the cause of action arose during the period the bond was in effect and suit was filed within two years of the date the cause of action arose. The bond shall provide that it will remain in full force and effect for the full year that the authorization is in effect, or it shall provide that it will remain in full force and effect for the full year that the authorization is in effect unless the surety has delivered notice in writing to the auto dealers' division of the police department of an intent to terminate the bond at least 30 days prior to any termination of the bond and has mailed such a notice to the storage lot operator at the address of the storage lot. The notice to the auto dealers' division of the police department may be delivered by personal delivery or by certified mail, return receipt requested.

(b) In lieu of the aforesaid bonds, an applicant may assign an account with a financial institution insured by the Federal Deposit Insurance Corporation to the city. Such account shall be in the amount of not less than \$1,000.00 if the storage lot has space to store no more than 50 motor vehicles, \$2,000.00 if the storage lot has space to store more than 50 motor vehicles but less than 100 motor vehicles, and \$5,000.00 if the storage lot has space to store more than 100 motor vehicles. Under such an assignment, the financial institution must agree not to release, make payment from, or otherwise divert or dispose of the funds in such account except it shall agree to disburse all or such portion of the funds in the account as directed to do so by city council resolution.

The city council shall, by resolution, instruct a financial institution to disburse funds from an account assigned to the city pursuant to this section to any person holding a final judgment from a court of competent jurisdiction for damages to persons caused by, arising from, or growing out of the negligent, wrongful, fraudulent, or illegal conduct of the storage lot operator or his agents or employees in the operation of the private storage lot in the amount of such judgment, if the authorization holder has not satisfied the judgment within 60 days after it has become final.

The city council shall, by resolution, instruct a financial institution to disburse all remaining funds in an account assigned to the city pursuant to this section, to the authorization holder, if the authorization holder requests such a resolution at a time not less than two years after the authorization holder ceases to have authorization to operate a private storage lot in the city.

The authorization holder shall ensure that the balance in an account assigned to the city pursuant to this section does not fall below the amounts specified in this subsection at any time the authorization holder has any authorization to operate a private storage lot in the city.

(c) In addition to the aforesaid bond or assignment of an account to the city, each applicant for a private storage lot authorization shall file satisfactory proof that he has garagekeepers' legal liability insurance for the storage lot for which he seeks authorization to operate as a private storage lot. Such insurance shall include coverage for comprehensive, specified perils and collision and shall be issued by a company duly authorized to write such insurance in the state. Such insurance shall be in the amount of no less than \$9,000.00 for injury to or destruction of property of others if the storage lot has space to store no more than 50 motor vehicles, \$18,000.00 if the storage lot has space to store more than 50 motor vehicles but less than 100 motor vehicles, and \$25,000.00 if the storage lot has space to store more than 100 motor vehicles. No such policy shall have a deductible of more than the amount of the bond posted or the account assigned to the city by the authorization holder.

Said policy shall provide that the insurance company will give notice to the police department at least 30 days prior to any cancellation or expiration of the policy.

Such policy shall be kept in full force and effect for the entire duration of the authorization and all renewals thereof.

(Ord. No. 01-1079, § 5, 12-5-01)

**Sec. 8-154. Notice to applicant of application approval, denial, etc.**

(a) The police department shall inform the applicant that the application has been approved upon submission of an application in accordance with section 8-152 and payment of the fee for such authorization, unless it finds that the application should not be approved under section 8-155 or notice of a hearing shall be given the applicant pursuant to section 8-157.

(b) Whenever an application for authorization to operate a private storage lot has been approved, the applicant shall be given written notice of such approval. Within 45 days of the date the applicant receives notice that the application was approved, the applicant shall provide the police department with satisfactory evidence that all requirements of sections 8-153 and 8-172 have been complied with. If an application for authorization to operate a private storage lot has been approved, and the applicant has submitted evidence that the requirements of sections 8-153 and 8-172 have been complied with within 45 days of the date he received notice of the approval of the application, the police department shall grant the applicant authorization to operate the storage lot unless it finds that the requirements of sections 8-153 or 8-172 have not in fact been complied with.

Notice that an application to operate a storage lot has been approved shall not grant any right to operate the storage lot, and no person shall operate any private storage lot until the police department has granted authorization to operate the storage lot.

(Ord. No. 01-1079, § 5, 12-5-01)

#### **Sec. 8-155. Standards for approval.**

In such notice the police department shall set out the reasons the application was not approved and the applicant may fully comply with the requirements for approval within 14 days of the date of receipt of such notice without any additional application fee.
